

# MAKE YOUR OWN SPECIAL SENSORY JUMPER

Colour and collage with your favourite things

What will you fill your jumper with?

Perhaps your favourite colour.  
Or a colour that makes you  
happy like sunshine yellow.

Does your jumper have a pattern?

It could be stripy like a bee  
or covered in ladybird spots!

Does it have a special smell? Maybe  
of spice, sweet honey, sea breeze  
or perfumed flowers.

If you close your eyes can you  
imagine these smells now?  
Perhaps they remind you of  
someone or somewhere special.

You could draw your favourite  
animal on your jumper or your  
favourite food!

How does it feel to touch? Is it  
soft and fluffy like a teddy bear?  
Could you make marks to suggest  
fur or draw patterns that look  
like knitted wool?
